ing a 50 foot right-of-way.

Councilman Holland asked about the "rat campaign", a project discussed over a period of months to rid the town of sewer rats. Town manager C. S. Booth said that the state expert who came here suggested a mixture of cornmeal, molasses, paraffin and red squill. According to Booth the mixture is put in paper cups and suspended in man holes.

For rats on private property the state consultant suggested a vigorous publicity campaign and use of commercial rat-killing materials. County sanitarian Wm. E. Adkinson and extension agent James A. Smith have already been approached about this, he said.

Firemen honored by the council at their dinner include chief C. R. Wooldridge; assistant chief, Dick Bass; capt. Henry Chernault and lieut. Herman Carter plus Harold T. Nash, Edward Mayberry, Paul Drinkard, Harold Carter, Pete Doss, W. A. Appomattox High School, attention is called to that portion of the Code applicable to spectators.

The Spectator should:

1. Realize that he represents the school just as definitely as does the member of a team, and that he has, therefore, an obligation to conduct himself as a true sportsman, encouraging through his behavior the practice of good sportsmanship by others.

2. Recognize that good sportsmanship is more important than victory, by approving and applauding good team play, individual skill, and outstanding examples of sportsmanship and fair play exhibited by either team.

3. Recognize that, since the primary purpose of interschool athletics is to promote the physical, mental, moral, social, and emotional well-being of the players through the medium of contests, victory or defeat is in reality of secondary importance.

4. Treat visiting teams and officials as guests, extending to them every courtesy.

5. Be modest in victory and gracious in defeat.

6. Respect the judgment and integrity of officials, realizing that their decisions are based upon game conditions as they observe them.

The portion of the Code applicable to the administrator and coach has been reviewed throughly with those responsible for the athletic program.

The constant support of the Appomattox community for the athletic program is appreciated. Let us all work together for continued success of this program, with each individual occurered willing to accept his responsibility, whether it be administrator, player, coach, or spectator.

Supervisors directed the Commonwealth's Attorney to prepare a trailer and mobile ordinance for the January meeting in order to have it for consultation with the county planning commission and zoning commission.

Supervisors also agreed to install a two - way radio on deputy Cecil Reynolds' automobile in order to keep the deputy in direct touch with the Appomattox town offices and the jail. Other sheriff's cars are equipped with Police headquarters.

## IN MEMORIAM

IN loving memory of our husband and daddy, Emmett Harding, who passed away four years Dec. 26, 1965.

His ship has safely landed
The one I loved so dearly.
He crossed the great divide
That leads to life eternal.
Over on the other side.
A mansion there is waiting of silver and gold so fine.
Built by deeds he did on earth, As ever his light did shine.
Free from all pain and sorrow
On earth he had to bear.
Now he is resting in heaven,
With God and the angels so fair.
So think of him in that city
To dwell for evermore.
His ship has safely landed,
On God's bright shining shore–
Sadly missed by wife and daughter. 12-18-1p
